

FOURTH WALL FOLKESTONE PROPOSAL FORM

ABOUT FOURTH WALL FOLKESTONE:

Fourth Wall Folkestone CIC is a welcoming, accessible informal gallery and open studio, which explores all things art and mental health. It is prominently situated at 10-12 The Old High Street in Folkestone, Kent.

As well as hosting a programme curated by Founding Director Sarah Lloyd, we welcome proposals for talks, workshops, events and exhibitions that would fit well with the ethos and aims of Fourth Wall Folkestone.

We specifically like to receive proposals which speak to one or more of these points:

- Has **play, experimentation, research, learning, development and innovation** at the forefront.
- Involves an element of **gentle, disruptive activism** which aims to **create change**, particularly **within the mental healthcare system**.
- Amplifies the voices of those with **lived experience** in the themes present.
- Has an element of **community co-production** involved.
- Explores the power and privilege we each hold for **positive systemic change**.
